Dear Andrew Hitchcock,

I would like to express my deepest gratitude for your assistance and time in trying to get all the necessary materials ready to submit the City of San Jose grant application for HNVF/Kinder Readiness Project. You and your staff have been of great assistance to me since last May when you gave me an overview of the grant.

Much time and energy has been invested and much more is required to meet the needs of this grant. Therefore, I am withdrawing Sherman Oaks Community Charter School, K-6 from the interest list and will cease the application process. Campbell Union School District will receive a copy of this letter.

Next fiscal year, I would want to pursue a grant from the City of San Jose on behalf of Sherman Oaks Community Charter School, K-6.

Sincerely,

*Irene Preciado*
